Laid-Off Workers Need Real Relief NOW

SINCE SEPT. 11, the economy has stalled and more than 500,000 workers are losing their jobs. Right now, the U.S. Senate is considering an economic stimulus package that has billions of dollars for big corporations and wealthy individuals, but not a penny for laid-off workers.

Call your senators today toll-free at

1-800-718-1008

Urge them to support a relief package that includes unemployment and health care benefits for laid-off workers.
